

REMARKS

This Amendment is submitted to correct a minor antecedent reference error in claim 9. As revised, the "transmit clock signal" of claim 9 is consistent with the same term in parent claims 5 and 6. The amendment, therefore, does not constitute new matter.

In light of the above amendments and remarks, the Applicant respectfully requests that the Examiner reconsider this application with a view towards allowance of all the claims. The Examiner is invited to call the undersigned attorney at 650-843-4000, if a telephone call could help resolve any remaining items.

Respectfully submitted,

Date: May 11, 2005
